Get Connected. Get Help.™

211 Colorado streamlines services and provides one central location where people can get connected to the resources they need. With a database that is updated daily, 211 Colorado can connect you to critical resources simply by dialing a three-digit number. Whether you are searching for a shelter availability, childcare, or rent payment assistance - 211 can connect you to available resources in your community.

A Precious Child provides children in need with opportunities and resources to empower them to achieve their full potential.

Website: apreciouschild.org

Adams County Community Development and Prevention works to build support systems for our children and families through engagement and collaboration with our community partners by offering resources and connections that will contribute to their successful development and promote sustainability to prevent child welfare involvement.

Website: adcogov.org

The Autism Society of Colorado creates connections, empowering everyone in the Autism community with the resources needed to live fully. We offer information and resources to individuals within the community looking for autism resources. We host free online peer support groups for the autism community for individuals and families to connect and share their experiences for anyone in the state to join. The Autism Society of Colorado also offers free or low-cost in person social gatherings and sensory friendly events for the teens, adults, and families.

Catholic Charities offer shelter, affordable housing, early childhood education, counseling, emergency services, rent and utilities, employment, food and clothing, case management, family and senior services and much more at 76 locations across the Front Range. We collaborate with corporate partners, local businesses, nonprofit organizations, government agencies, medical facilities, educational institutions, parishes and other community partners. We work to alleviate and find solutions to some of the most pressing challenges that women, men and families in our community face each day.

Website: ccdenvr.org

At Children's Hospital Colorado, we see more, treat more and heal more kids than any hospital in our seven-state region. We're experienced and forward-thinking when it comes to the latest methods for diagnosis and treatment. This translates into less invasive treatment, less time, and less stress on you and your children. Our specially trained pediatric experts recognize that families are our partners, which is why we deliver family-centered care. From providing immunizations and car seat checks, our goal is to help keep kids healthy and out of the hospital. We envision a world where no child needs a hospital. Until we make that happen, we're here for your kids.

Clayton Early Learning is a Head Start program in Denver. We provide high quality childcare for low income families. We serve children from birth to 5 years of age in our school, and we also have an homebased and prenatal program for children birth to 5 years of age. Our goal is to provide care and resources for our families to help prepare the for school after they leave our program.

Website: claytonearlylearning.org

CO4Kids is a statewide initiative to provide awareness about Colorado's child welfare system. It focuses on educating the public about the signs of child abuse and neglect, while raising awareness about the Hotline ([844-264-5437](tel:844-264-5437)) to report concerns related to a child or youth. CO4Kids also strives to strengthen families as a means of preventing abuse and neglect from happening in the first place, helping all Colorado kids have a safe environment. Finally, the campaign is committed to recruiting and retaining foster and adoptive parents, so that when an out of home placement is unavoidable, a child has a safe place to thrive.

Website: CO4kids.org

The Colorado Department of Early Childhood (CDEC) delivers a broad range of programs and services to Colorado's youngest children, their families, and the professionals who serve them.

Website: cdec.colorado.gov

Colorado's Family and Medical Leave Insurance (FAMLI) program ensures that workers across Colorado have access to wage replacement benefits in order to take care of themselves or their family during life circumstances that pull them away from their jobs. Most Colorado workers can apply for FAMLI leave benefits to help them get through the following circumstances:

- Caring for a new child during the first year after the birth, adoption, or foster care placement of that child.
- Caring for a family member with a serious health condition.
- Caring for your own serious health condition.
- Making arrangements for a family member's military deployment.
- Obtaining safe housing, care, and/or legal assistance in response to intimate partner violence, stalking, sexual assault, or sexual abuse.
