At Children's Hospital Colorado, we see more, treat more and heal more kids than any hospital in our seven-state region. We're experienced and forward-thinking when it comes to the latest methods for diagnosis and treatment. This translates into less invasive treatment, less time, and less stress on you and your children. Our specially trained pediatric experts recognize that families are our partners, which is why we deliver family-centered care. From providing immunizations and car seat checks, our goal is to help keep kids healthy and out of the hospital. We envision a world where no child needs a hospital. Until we make that happen, we're here for your kids.

CO4Kids is a statewide initiative to provide awareness about Colorado's child welfare system. It focuses on educating the public about the signs of child abuse and neglect, while raising awareness about the Hotline ([844-264-5437](tel:844-264-5437)) to report concerns related to a child or youth. CO4Kids also strives to strengthen families as a means of preventing abuse and neglect from happening in the first place, helping all Colorado kids have a safe environment. Finally, the campaign is committed to recruiting and retaining foster and adoptive parents, so that when an out of home placement is unavoidable, a child has a safe place to thrive.
